Project Intent

The purpose of this RFQ is to select up to nine local artists to design a thirty (30) digital images that will be placed on pole banners along West Front Street. The banners will serve to enhance the experience, aesthetic and sense-of-place of West Front Street. The theme of the banners is “fresh perspectives of downtown”. Submissions should reflect different perspectives of Downtown Traverse City.

Project Background & History

The banners along West Front Street were installed as part of a comprehensive streetscaping project in 2015. The design and color scheme for all 30 banners was universal. The banners are planned to be replaced in 2022. In cooperation with Britten Banner, the Arts Commission is using this opportunity to bring color and art into this highly visual streetscaping element. To be clear, the Arts Commission is excited for this banners to serve as “art”, rather than the promotional/celebratory banners that are utilized in other parts of downtown.

Project Details

The Traverse City Arts Commission is working with Britten Banner to install 30 new banners in nine different “sets” along West Front Street. The Arts Commission is seeking up to four (4) unique banner designs from up to nine local artists under the theme of “a fresh perspectives of downtown”. Submissions should reflect different perspectives of Downtown Traverse City. Any type of painting (e.g., abstract, impressionism, etc.) photography and/or graphic art may be submitted. Final designs must be compatible with fabrication processes established by Britten Banner Inc., who will be printing and installing the banners. Banner sets include:

- Set One: 2 single-banners (south side) Front Street and Division
- Set Two: 3 single-banners (north side) Front Street and Maple
- Set Three: 3 single-banners (south side) Front Street and Maple
- Set Four: 2 double-banners (north side) Front Street (in front of the firehouse)
- Set Five: 2 double-banners (south side) Front Street (in front of the GT Pie Company)
- Set Six: 2 double-banners (north side) Front Street (in front of the Fogarellis)
- Set Seven: 2 double-banners (south side) Front Street (in front of Walter and Hemmings)
- Set Eight: 3 single-banners (north side) Front Street and Wadsworth
- Set Nine: 3 single-banners (south side) Front Street and Hall Street

All banners are two-sided. The size of each banner is 24” x 48” (see attachment). Given the arrangement (or “set”) of banners along the corridor, some artists will have four banners printed, some will have three banners printed and some will have two banners printed. We ask that each artist submit four different designs. The Arts Selection Panel and Arts Commission will select the best designs (from the designs submitted), for those areas along the corridor with the corresponding number of banners. The Arts Commission will also select the location(s) of each banner along the corridor. The Arts Commission has dedicated \$3,000 for this project and has committed to pay each artist \$100 per banner.

Location

The project area is located along West Front Street, between Hall Street and Division. A map and images of the project area (sets) are included below.
